

ONE SET OF PRESTAN TRAINING PADS NOW WORKS WITH ALL PRESTAN AED TRAINERS!

What does this change mean?

1. Prestan AED UltraTrainer – nothing has changed.
2. For the Prestan Professional AED Trainer PLUS – As of April 1, 2019, these units will be shipped with the new pads.
3. There is now only one training pad available. Whether you order the PP-APAD2-1 or the PP-UTPAD-1 (or 4-packs, PP-APAD2-4 / PP-UTPAD-4), you will get the same product.
